The movement invites all who live in Singapore to put values into action through active volunteerism, ground-up efforts and everyday acts of care. It also aims to build capability across various sectors and organisations to grow opportunities for volunteering. By inspiring and supporting one another, we can show the world that we are a nation with a big heart.

About Care Community Services Society

Care Community Services Society (CCSS) believes that we are called to serve the community and to influence and equip individuals and families for empowered living through all generations.

CCSS provides disadvantaged children with a safe environment in our after-school Student Care Centres, vulnerable seniors with meaningful engagement in Seniors Activity Centres, at-risk youths with opportunities to discover their innate potential through youth programmes, ex-offenders with resources to support their journey of re-integration, cognitive care for older individuals who suffer from or are at risk of dementia, and assistances to other persons-in-need.

CCSS serves more than 1,000 beneficiaries under our care, and we are a registered charity affiliated with the National Council of Social Service (NCSS) and an Institution of a Public Character (IPC).
